Please note, **specialists/visitors are highlighted in yellow**, activities are subject to weather conditions, where possible will make alternative arrangements. Children chose whether to join in- there are many games & activities going on all the time, your child may choose to join others or create their own. We always try our best to say 'yes' and encourage children's own ideas. We will never make them do an activity in which they have no interest. Other activities can be arranged to support your child's needs & interests.
